

Certificate

We hereby certify that Mr. Christo Motz (born May 22, 1964 in Rotterdam) worked as fireman / helper with the fire department of Rotterdam - Rijnmond, at Bosland barracks, from the 1st of September 2007 till 1st of June 2010.

We found Christo Motz to be a person who was committed to his job and always ready to help others and to be of service to the community. His enthusiasm and proactive thinking ensured a broader perspective was brought to the job, helping to raise awareness of things such as potential environmental hazards. He also has the capacity to translate this awareness into practice. His various lessons on lifesaving techniques are an excellent example to this.

Christo enjoyed working as part of the team and gained respect within the group of the experienced firemen. His interest and enthusiasm in being a fire-fighter led him to a thorough understanding of his job.

We are thankful for his efforts over the past few years in the Rotterdam-Rijnmond Fire department and wish him every success in the future.

Mr. L. de Lange,
Commander Eastern District Rotterdam - Rijnmond.
